Princess Charlene looks stunning. Love the handbag.

Stunning yes, flashy certainly as well, not a bit too much? I don't like the handbag. She seems to have by now the most dashing style among young royals. I agree she is the right person to open this exhibition.

D'accord

An attractive look for a clubbing night or winter evening out. Hair and makeup look great but I think the outfit does not fit the occasion.

I also agree

Agree. Love the hair and the bag but the dress is not the best I have seen on her.

Elegant, classic Charlene. She holds the role of daughter in law of Grace Kelly

Charlene does look beautiful. I love the dress. The bodice does not look good in the mid-section, however. Perhaps a shaper would have helped. What a special exhibition! Princess Grace is so loved. Charlene is a wonderful choice to open the exhibition.

Wow what amazing dress and the handbag is top of the point.

Charlene is lovely, this hairstyle softens her face. Love everything except the platform shoes that I find unnecessary.

Diese Ausstellung würde ich auch gerne sehen. Die Tasche ist toll. Das gesamte Outfit auch.

The dress may seem a bit wintery, but it is winter temperatures on the Riviera these days!! Freezing cold!!

She is in China..

Macau is not exactly on the Riviera!!!

I think Princess Charlene runs rings around the other royal ladies in the fashion stakes with this ensemble. Superb.

What would Grace say to this outfit of her daughter in law?

Jane Chantal 5/17/19, 5:59 PM

Beautiful hair and makeup! I love that she chose the softer look of a pink lipstick rather than bright red.

I am on the fence with this dress, maybe because it's a little reptilian, or maybe because it does not well on the waist area. Love the purse.

Hmm, the dress looks a bit reptilian to me. Love the handbag though.

Agree with you Sonnenkringel.

Franny 5/17/19, 11:31 PM

Don't love the textured futuristic vibe of the material for this dress. Also,

Still, it looks good on her, she can definitely wear the dress. I like the longer hair and thing the handbag is great and good fun. I like the pop of red of the rose on her wrist.

Apparently I'm one of the very few who don't like this outfit. The reptilian, stiff and shiny material causes nasty wrinkles at the waist area.
It has nothing to do with Charlene - wouldn't like this dress on anybody.
